to me, gpc_alour03

Dear Dr. Ruchika Jain,
Gobindgarh Public College, Alour

This refers to your application regarding Research Proposal entitled "Measures of Job Satisfaction among Faculty in Higher Education Institutes- An Empirical Study in Ludhiana District of Punjab" in response to our advertisement dated 31.03.2023 for the award of Panjab University Alumni Association Research Grant (PUAARG).

This is to inform you that your proposal has been selected for award of research grant of Rs. 37000/- from the Research Promotion Fund of the Panjab University Alumni Association.

You are requested to kindly accept this offer of grant within one week from the date of issue of this letter by email at darpu@pu.ac.in.

The monitoring & evaluation procedure for the release of grant is as follows:

1. The first installment of 60% of the total grant will be released to the successful applicants at the time of award.
2. A midterm report shall be prepared by the P.I. for presentation to the monitoring evaluation committee and after proper evaluation; if found suitable, remaining 40% grant will be released.
3. It is mandatory to submit the report and research outcomes along with consolidated item wise statement, bills and audit report of expenditure as per budget specifications by the Principal Investigator (P.I.) after completion of study (within one year).
4. The unutilized grant (if any) may be returned immediately through RTGS/DD/Cheque/Cash to Dean Alumni Relations, Panjab University, Chandigarh in favour of PUAA and Alumni House Fund, A/c no: 10444985192, Branch: SBI, Sector-14, PU Campus and IFSC Code: SBIN0000742.

I once again congratulate you and thank you for associating yourself with Department of Alumni Relations.

Thanks,

Consultancy Policy

A meeting of Research & Development Cell was held on 4/10/2022. Conveners of various committees were present in the meeting. Following Consultancy Policy was framed:

Consultancy in Higher Education Institutions essentially means 'Knowledge Exchange' and it facilitates developing mutually beneficial relationships with commercial, public and other organizations. In particular, it encourages a close relationship with Government and Non-Government Organizations, Industries, other educational institutions, community and individuals.

Guiding Principles & Objectives

- The institution inspires all faculty members to extend Consultancy Services that facilitate knowledge transfer contributing to economic and social enhancement.
- The faculty must ensure that the consultancy work does not create a conflict of interest with the discharge of their duties
- The faculty can avail on-duty for consultancy work.
- There should be demonstrable benefit to the institution in terms of revenue, enhanced reputation and in expanding the expertise of the faculty.
- The Consultancy work can be exhibited with the permission of the Head of the Institute only.

Policy for Revenue Sharing in Consultancy Services

Consultancy work is expected to generate revenue both to the institution and its employees. The revenue generated out of Consultancy Services will be shared between the institution and the faculty in the following ratio:

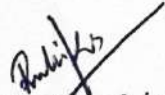

S.No	Particulars	Institution	Faculty
1.	Institutional Consultancy (in which Resources of the Institution are required)	60	40
2.	Institutional Consultancy (in which Resources of the Institution are not required)	40	60
3.	Private/Individual Consultancy	10	90

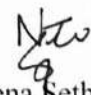

Publications

Publications regarding consultancy work shall include the faculty affiliation of the institution and acknowledge for the facilities/materials used from the institution.

Intellectual Property

Any intellectual property arising from any Research and Non-Research Consultancies will be governed by the Intellectual Property Policy of the institution.

Program Overview

The goal of this workshop is to teach participants about research methodology and how to apply it to empirical research in the fields of business, economics, economics, management, and other social sciences. Key principles in research methodology will be introduced through hands-on experience with software in real-world management settings and queries. Engage participants in a chosen selection of Research Methodology tools that aid in the making of crucial research/industry management decisions.

Program Details

On successful completion of this workshop, participants will have clarity regarding:

- ◆ Setting the Foundation of Academic Research
- ◆ Introduction to Literature Reviews and Bibliometric Analysis
- ◆ Data Collection in Research & Use of Digital Platforms
- ◆ Basic Data Analysis using SPSS
 - Testing of Single Means
 - Testing of Two Means
 - One Way ANOVA and Post-hoc Analysis
 - Chi-Square Test
 - Correlation Analysis
 - Simple & AMP, Multiple Regression Analysis
- ◆ Zotero Reference Management Tool
- ◆ How to identify and avoid predatory journals
- ◆ Writing of Quality Research Manuscript

Chief Guest Inaugural

Prof. Dr. Parvinder Singh
 Vice-Chancellor
