GOBINDGARH PUBLIC COLLEGE, ALOUR, KHANNA

WORKSHOPS /CONFERENCES /SEMINAR HELD

Conference/Workshop/Seminar Brochure (2011-2012)

ABOUT THE HOST COLLEGE

The college was established by Gobindgarh Educational and Social Welfare Trust (GESWT) in the year 2003 with the objective to provide excellent opportunities for comprehensive and quality education to the people of steel town and its surrounding areas. It has a beautifully designed impressive campus spread over seven acres of land.

This institution is fortunate enough to have GESWT and college managing committee comprising members with wide vision, pragmatic approach and innovative ideas under the able and intellectual guidance of President (GESWT) Sh. Vimal Vinod Bansal, Chairman (GPC) S. Swaranjit Singh Bagli, Secretary (GESWT) Sh. Anil Kumar Agarwal, and Principal Dr. Neena Seth Pajni. Since its inception, the college has progressed by leaps and bounds in academics, sports and cultural activity and thus, even in a short span, we have the potential to compete the best colleges of Panjab University, Chandigarh.

OBJECTIVES OF THE WORKSHOP

The whole world is witnessing rapid and through changes in all walks of life. In this context, education and educational institutions cannot be exceptions. They will have to change in order to survive and succeed in the competitive world. This change is possible if faculty take responsibility of educational, vocational and moral uplifting of students and this can be achieved when faculty himself/herself is ready to learn, unlearn and relearn. The objectives of this faculty development workshop is to enrich the thought process of teaching community and enlighten their way to take it to next higher level. The main motive of this workshop is:

- To provide a platform for agglomeration of ideas of personnel from various walks of life for learning enrichment.
- To brainstorm on need for constant self-questioning for quality improvement and sustenance through SWOT (Strengths, Weaknesses, Opportunities & Threats).
- To discuss the essentials for an institute to prove it as a learning organization.
- To identify the best methods adopted by teachers in their teaching domain.
- To explore the innovative practices developed by teachers after facing problems with young community with different competency and diverse skills.
- To understand the measures taken by UGC for maintenance of standards in higher education.
- To sensitize teaching community regarding self-evaluation, accountability and innovation.
