Annual Day of the college is dedicated to Youth Day which is celebrated throughout the country to mark the birth anniversary of great young pragmatic Saint. Swami Vivekanand. I shall be failing in my duty if I do not pay my rich tribute to Swamiji. Through his spell binding lecture in 1891 at Chicago he awakened the West to the glory of Indian Philosophy and thought. He gave the message of Vasudeva Kutumbkam. He preached compassion for the poorest. His vision of Indian Youth was the one who is physically and mentally strong capable of facing all types of cruelties heroically. Swamiji also laid stress on the education of women. He said, “If you do not raise the women who are the living embodiment of Divine Mother, do not think you have any other way to rise, **His message “Stand, Awake and stop not till the end is availth”** will always remain the guiding force for the Indian Youth.

Although the College is having at present classes of four streams and numerically we are small as compared to other Colleges, yet qualitatively we are not behind any big and old institutions. Our good results and excellent performance in academic, sports and cultural activities speak of its rising graph.
