Speech by the Chief Guest-Sh. Vimal Vinod Bansal

It is a matter of great pride and pleasure for me to be part of 9th Annual Athletic Meet of Gobindgarh Public College, Alour. As we all know, studies and sports go side by side. Infact education without games is incomplete. Lessons learnt in the playgrounds are as important as those learnt in the classrooms. Games inculcate in us the spirit of sportsmanship and co-operation, they make us physically strong, healthy & smart. We learn many good qualities in the playground like discipline, team spirit, obedience, punctuality, fair play etc.

The members of Gobindgarh Educational & Social Welfare Trust are determined to provide quality education and better sports facilities for the students of this College. The College playground is equipped with various facilities for games like Volleyball, Cricket, Boxing and various athletic events as High Jump, Long Jump, Shot Put, Discuss Throw, Javelin Throw etc. The College has also won laurels in various sports activities at Inter College and Inter University activities in the session 2011-2012. As we all know ‘A healthy mind lives in a healthy body’, I wish all the participants best of luck for future and hope guests enjoyed this mega event with full enthusiasm and spirit.
