PRINCIPAL MESSAGE

Dear Students & Parents, I am quite elated to share that Gobindgarh Public College (GPC) which has emerged as an Institution of academic excellence, brilliance and success in the field of education. GPC is striving to deliver quality education by blending it with technology where you can access digital library and flip-classroom arrangements. Through varied courses in the field of Humanities, Commerce, Business Administration, Computer Science, and English Proficiency Course along with the Departments of NSS, NCC and Vocational Guidance & Placement Cell, we try to enrich youth from both rural and urban background with adequate emphasis on their holistic development. The campus is empowered with Student Counselling Centre, Students Grievance and Anti-Ragging Cell, Solar System, centralised RO System and IGNOU Study Centre. With the support of philanthropic management GPC ventures to uplift the under-privileged sections of the society with financial aid and during the session 2019-20 only scholarships about worth rupees eight lac were distributed under various categories. GPCeans have successfully conducted themselves over the years for achieving excellence in all the fields. The college has recently won Runners-up Trophy (Men) for sports participation at national & international levels. The NSS unit of the college has been awarded as the Best NSS unit amongst all the colleges affiliated to Panjab University, Chandigarh. As you all are acquainted with the fact that the world is grappling with the terror of COVID-19, the worst hit sector by this pandemic is education. Though complete lock down was imposed in the on-going session (2019-20), yet GPC faculty endeavoured to complete the syllabus through various online free and open source Learning management systems and social media, and handouts and students have vigorously participated on online learning platforms and gained a lot. This virus has affected us both physically and psychologically. GPC considering its onus and responsibility towards its stakeholders came up with students and faculty engaging quizzes and webinars. I am glad to inform that GPC is all set to foray into online teaching in this session as well. I am confident that GPCeans will empower themselves every day, adding a new leaf to the grandeur of the college.
