20. For 2023 MGNCRE National Sustainability Ranking (NRISG) phase 1 was released on 25th March 2023. 1513 Institutions in 162 Districts of 21 States were graded and Grading Certificates were dispensed. The phase 1 in 2022-23 focused on sustainability parameters: Green cover on campus, Surface water harvesting, roof top harvesting, roof top solar system, waste management. The phase 2 (activities resume from 15-April-2023) will cover Student Self Help Groups, Bazaar, Daily Sales Counter.

80 HEIs covered over a span of four weeks with Action Research Investigators visiting each of the colleges in person for the assessment /sarvekshan. The MGNCRE Resource Person facilitated the Action Research Investigators visits and groomed the Action Research Investigators. The 08 Districts: Amritsar,Gurdaspur, Pathankot, Mohali, Barnala, Hoshiarpur, Ludhiana, Kapurthala. The HEIs in the Districts of Punjab are familiar with Sustainability parameters.70% of the HEIs visited by the Action Research Investigators have a connection with MGNCRE from past programs/workshops. Each of the Institutes

has in place a committee to oversee the running of Social Entrepreneurship, Swachhta and Rural Engagement (SESRE), and Rural Entrepreneurship Development (REDC). The committee comprises the Management and Senior Faculty of the Institute.

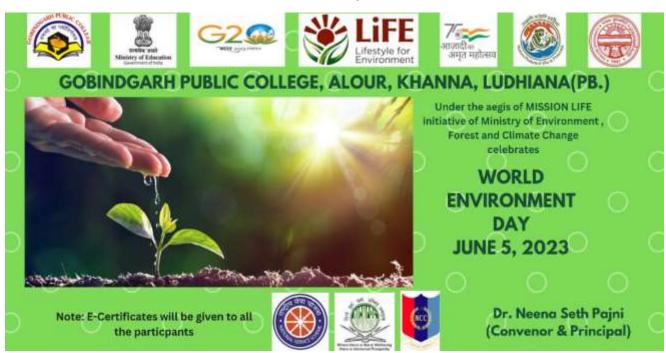

Gobindgarh Public College, Alour (Khanna) scored A+ in Green Cover on Campus, A in Surface Water Harvesting, A+ in Rooftop Water Harvesting, A+ in Rooftop Solar System and A in Waste Management.

21. Gobindgarh Public College, Alour, Khanna (Ludhiana Pb.) celebrated **World Environment Day on 5th June 2023** under the aegis of Mission LIFE initiative of Ministry of Environment, Forest and climate Change.

Report of Activities

Report on World Environment Day (June 5, 2023)

Gobindgarh Public College, Alour, Khanna (Ludhiana Pb.) celebrated **World Environment Day** on 5th June 2023 under the aegis of Mission LIFE initiative of Ministry of Environment, Forest and Climate Change. The activities organized under the able guidance of Dr. Neena Seth Pajni (Principal) who had been proactive in environment savvy activities and has been promoting such activities to encourage ecological and environmental safety and balance. These activities were conducted by NSS, NCC and REDC & SES-REC (MGNCRE) under Dr. Mandeep Singh & Prof. Bangera Rupinder Kaur (NSS Programme Officers), Dr. Tajinder Singh (NCC Incharge & ANO), Prof. Rajesh Kumar (Nodal Officer, REDC & SES-REC (MGNCRE)) of the college. The objective of the event was to raise awareness about environmental conservation among the college students and the surrounding community. Several activities were organized to engage participants and promote a sustainable lifestyle:

Lifestyle for the Environment Pledge:

In the first responsible action taken towards Environmental responsiveness, the Principal, the faculty, the students, volunteers, NCC cadets, self help groups and all the participants of various multiple social media groups had participated in the initiative of Ministry of Environment Forest and Climate Change where they had taken the 'Lifestyle for the Environment Pledge' and committed themselves to consciously participate in taking up environmental lifestyle and contribute towards the environmental safety, balance and sustenance.

Tree Plantation:

As part of the World Environment Day celebration, a tree plantation drive was initiated by the college in collaboration with Hariyawal Punjab Group, Fatehgarh Sahib team comprising of Mr. Sandeep Kashyap, Dr. Amit Verma, Dr. Amit Sandal, Mr. Manish and Mr. Kamal. A total of 30 saplings were planted within the college premises. The saplings were carefully selected to promote biodiversity and enhance the green cover in the area. This activity aimed to highlight the importance of trees in combating climate change and maintaining ecological balance.

Cycle Rally:

A cycle rally was organized to promote the use of bicycles as a sustainable mode of transportation. Participants, including college students and other participants, cycled through the streets of the village Ladpur, spreading the message of environmental conservation and reducing carbon emissions. The rally successfully emphasized the significance of alternative transportation methods for a greener future.

Plastic Collection and Shredding:

To address the issue of plastic pollution, a plastic collection and shredding initiative was undertaken during the World Environment Day event. Participants, including college students and staff, collected plastic waste from various sources and deposited it in designated bins. The collected plastic was later shredded in the Plastic shredding machine installed in the college, making it easier for recycling and reducing the environmental impact of plastic waste.

Environment Awareness in Village Ladpur:

As an endeavour to extend the environmental awareness beyond the college campus, the college NSS, NCC and REDC & SES-REC (MGNCRE) team visited the nearby village of Ladpur. The team organized awareness sessions, educating villagers about sustainable practices such as waste management, water conservation, and afforestation. They also distributed informative pamphlets and conducted interactive discussions to encourage active participation in environmental preservation.

Traffic Awareness and Fuel Conservation in Mandi Gobindgarh:

Recognizing the significance of responsible driving and fuel conservation, an awareness drive was conducted at the Chowk of Mandi Gobindgarh, a town near the college. The drive aimed to create awareness among the local community regarding the adverse effects of traffic congestion, air pollution, and excessive fuel consumption. Practical tips and suggestions were communicated through placards and flex carried by the volunteers to promote responsible driving habits and fuel efficiency.

Water Conservation:

A session on water conservation was conducted within the college premises. The participants were educated about the importance of water conservation, methods to minimize water wastage, and the significance of adopting sustainable water management practices. The session encouraged the college community to take individual actions to conserve water and create a positive impact on the environment.

Online Virtual Workshop:

To foster collaboration and knowledge-sharing on environmental issues, an online virtual workshop was organized under the aegis of Mission LIFE initiative of Ministry of Environment, Forest and Climate Change. The resource person **Dr. Ranjeeta P. Chatterjee, Department of Zoology, Prof. Ramakrishna More College, Pune deliberated on the topic 'An Awareness Workshop on Sustainable Practices and Mission LIFE' and emphasized on the significance of Environmental Sustainable Development. The meet provided a platform for discussing sustainable practices, sharing success stories, and brainstorming innovative ideas to address environmental challenges. The event aimed to inspire collective action among HEIs for a greener and more sustainable future.**

The World Environment Day celebration by Gobindgarh Public College was a resounding success, with a wide range of activities that raised awareness and promoted sustainable practices. The initiatives, such as tree plantation, cycle rally, plastic collection, environment awareness sessions, traffic awareness lecture, water conservation session, and the online virtual workshop, collectively emphasized the importance of environmental conservation and encouraged individuals to take responsibility for protecting the planet. These efforts will have a lasting impact on the college

community and the surrounding areas, fostering a culture of sustainability and inspiring future generations to prioritize environmental stewardship.
