### **KEY HIGHLIGHTS: KEY OUTCOMES / SUGGESTIONS**

#### Key highlights and outcome of the workshop

Draft of this workshop was proposed keeping in view that NEP 2020 advocates to promote Indian languages in studies. As we all are aware that it is possible only if study material is available in Indian Languages. Teachers should be encouraged to write and publish in Indian Languages and develop corresponding curriculum in Indian Languages. To achieve this outcome of guiding and training teaches for ethical and authentic academic writing, resource persons with high exposure and expertise in the field were invited.

Following outcomes were achieved:

Importance of writing and publishing in Hindi. We can learn about the Indian Knowledge system and Indian Knowledge traditions by encouraging Hindi Language, because all Indian Knowledge is available in Devnagari Script. Now a days south Asian countries also giving importance to Hindi. It was also discussed to develop study content in Hindi so that it can reach to masses. Study material can be developed in book or video or audio form.

**Importance of learning Sanskrit:** Most Indian languages have been directly derived from Sanskrit and vast literature is available in Sanskrit. Sanskrit's rule-based, formula-based, and logical syntax makes it an excellent choice for writing algorithms.

**Importance of learning as many languages as possible:** learning multiple languages for a teacher and student is beneficial. As it improves memory, problem-solving, and critical-thinking skills. Students having knowledge of multiple languages have shown enhanced concentration, ability to multitask, and better listening skills.

Got hand on training about 'Tools to curate and create material and data storage & analysis in Indian languages. Hand on training on google pinpont, livetranscribe, outwitdoc was given.

**Identification of predatory journals** before publishing research in Indian Languages was learned.

**Designing of Research article** in Indian Language Especially Hindi and Punjabi was learned.

How to check **Plagiarism of research articles** of scientific and language writings was demonstrated. Turnitin and Quetext software hand on training was provided

Three Days National Workshop on "Research and Academic Writing in Indian Languages" on 2nd, 3rd, 4th March 2023

**Ethical publishing** in authentic research journals was discussed.

The importance of Shodhganga before choosing the research topic was elaborated.

Importance of **Paraphrasing tools** and translation tools required while writing in Hindi was discussed e.g., quickboard and spinbot.com

Reference management tools for Indian Languages was discussed.

How and when to start writing articles and course content in Indian Languages was demonstrated

Besides this Organizing workshops and conferences on Indian languages also gave opportunity to participants to learn from experts and engage in interdisciplinary discussions. As our participants were heads of schools and higher education institutes and faculty from all disciplines.

Participants gave feedback to organise more workshop on this topic and appreciated the efforts and encouragement of Bhartiya Bhasha Samiti, New Delhi.
